

Press Release:

Marathon Special Products Releases Class J Enclosed Fuse Holders

BOWLING GREEN (May 9, 2011) – Marathon Special Products, an industry leader in electrical/electronic components, has released a new addition to their Fuse Holder offering.

The new **Class J Enclosed Fuse Holders** are suitable for applications that required IP20 touchsafe designs.

These fuse holders are ideal for panel boards, feeder circuits, HVAC and bus duct applications.

For further details on the Class CC and Midget Enclosed Fuse Holders, and other products including Power Blocks, Fuse Holders, and Terminal Blocks, please visit <http://www.marathonsp.com/> or write to marketing@marathonsp.com.
