

MILITARY CLASS MARKING STRIPS

MARKING STYLES MSA, MSB, MSC

TOP SURFACE OF MARKING STRIP

BOTTOM SURFACE OF MARKING STRIP

REQUIREMENTS:

- Type Mount: Bottom only
- Dimensions: See below
- Material: Type GME
- Marking: Marking strips shall be marked in accordance with CID A-A-59125 (can be provided to MIL T55164)

A single letter shall be inserted in the above type designation to specify the marking style (A, B or C).

Both the front and the back of the marking strips shall be marked as indicated. The numbers shall be marked at a $45 \pm 2^\circ$ angle with reference to the side of the marking strip, as indicated.

Type MSC37TB (blank single sided marking strip) shall have the same dimensions as type MSA.

SERIES	STYLE	DIMENSIONS						
		C	D	F	G	K	W	X
