SUBJECT: PRODUCT CHANGE NOTIFICATION – Class H Fuse Panels

Marathon Special Products will be changing the overall amp ratings of the noted **Class H Fuse Panel** Fuse Holders. This only affects the parts noted in the table below. This product change is due to an error in the original files, and discovered as the design [change](#) of March 1st 2021 was implemented.

This will be a running change that has no effect on part numbers. **Your internal specifications and/or agency files may need to be updated to reflect this.**

Products & Changes:

Catalog Number	Amps - Previous	Amps - New
RH33Q3F 74669	175	150
RH42C2F	120	90
RH42C2F 72386	120	90
RH42B2L	120	90
RH42B2L 73359 X13111269001	120	90

RH60Q3L	120	175
RH60Q3F	120	175
RH60C3L 73638	120	175
RH61B2F	120	90

This will be a running change with no variance to the part numbers.

Products will be converted to the new design **around** January 17th, 2022, but will vary depending on when inventory is depleted and the first time a particular version is manufactured.

Please feel free to email or call with any questions regarding this product modification.
