SUBJECT: PRODUCT OBSOLESECE NOTIFICATION

DIN SECTIONAL SERIES

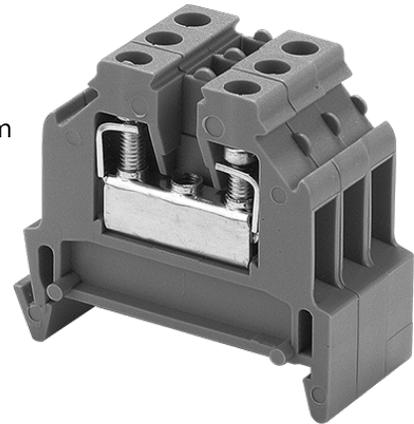

Marathon Special Products (MSP) will be discontinuing all terminal blocks and associated accessories noted in the table below. This only affects the existing parts noted in the table below. This product discontinuance is due to a lack of demand/usage.

This change is effective 9/30/2024.

All last time buys must be in hand by 7/19/24.

MSP does not have form, fit & function (F/F/F) alternatives. However, there are other equivalent alternatives still available from other manufacturers. Customers need to find and qualify any alternatives independently.
