SUBJECT: PRODUCT DISCONTINUANCE NOTIFICATION

Terminal Block Hardware options NH & MB

Marathon Special Products will be discontinuing all terminal blocks with suffix's of NH (no hardware) and MB (molding only). This only affects the existing parts noted in the table below. This product discontinuance is due to a UL review that determined that since the insulator bases are branded with agency marks, all versions must be supplied with our terminal screws to use as intended. **This change is effective immediately. Your internal specifications and/or agency files may need to be updated to reflect this.**

The alternatives listed below are form, fit & function (F/F/F) alternatives. They will come with the terminal screws bulk packed separately.

Please feel free to email or call with any questions regarding this product modification.

Regards,
Joe Brown
