## PRODUCT OBSOLESCENCE ANNOUNCEMENT

Due to reduced demand, Marathon Special Products is eliminating the 410 GP Double Row Series and 411 GP Single Row Series Terminal Blocks from our product offering effective March 1, 2020. Any orders on this part must be received by January 1, 2020.

### **411 GP Series (Single Row)**

Marathon Special Products' best functional replacement for the 410 GP series is our 670A RZ series, and for the 411 GP series our closest product is the 599 GP series.
