PRODUCT OBSOLESCENCE ANNOUNCEMENT

Due to reduced demand, Marathon Special Products is eliminating the 6G44 SP DIN, 7/16" Sectional Terminal Block from our product offering effective October 1, 2018. Along with the 6G44 SP DIN, we will also be obsoleting two hardware accessories that are used with it: 6G44E DIN, which is an end section and the MS 44 which is a 7/16" marker strip.

6G44 SP DIN

6G44 E DIN

We will continue to offer the 3/8" and the 1/2" sectional DIN rail terminal blocks. Any order for the 7/16" Sectional Terminal Block must be received by October 1, 2018. Feel free to email or reach out to me with any questions or concerns you may have in regards to this change.

Thank You,
