**PRODUCT OBSOLESCENCE ANNOUNCEMENT**

Due to reduced market demand, Marathon Special Products is eliminating the following G Class Fuse Holders from our product offering: G30AXB, G30AXSQ, G15AXSQ, RG30AXSPQ, RG30AXSQ (X representing a 1, 2 or 3 pole version of each). These will no longer be available after September 1, 2019. No new orders will be accepted for these products after that date.

**G30A3B ( 3-pole )**

**G15A3SPQ ( 3-pole )**

**RG30A1SPQ ( 1-pole )**

<b>MSP Class G Fuse Holder</b>	G30AXB (Obsolete)	G30AXSQ (Obsolete)	G15AXSQ (Obsolete)	RG30AXSPQ (Obsolete)	RG30AXSQ (Obsolete)
<b>MSP Class CC Fuse Holder (recommended alternative)</b>	6CC30AXB	6CC30AXSQ	6CC30AXSQ	R6CC60AXB	R6CC60AXB

Marathon Special Products recommends converting the Class G Fuse Holders to the Class CC Fuse Holders noted in the above table. These Class CC Fuse Holder crosses can be located using the following link: <https://www.marathonsp.com/class-cc-fuse-holders.php>

Feel free to contact me with any questions or concerns you may have in regards to this change.
